

DIALOGUE FROM BUD FARM: IDLE TYCOON

DAVE

Check it out, maaan! We scored a free pig!

LILY

The pizza place was giving him away to a good home.

DAVE

Apparently this pineapple ban left them with a ham surplus...

SHORTY

Sweet! See, Floyd? We saved that big fella's life. We're heroes!

FLOYD

Heroes? You've disrupted the natural order of the pizza-verse! You've robbed this pig of his opportunity to contribute to society. Look at him, he's miserable! He wants to be free to fulfill his life's purpose... which is to team up with a nice, juicy pineapple to create pizza perfection!

PIG

Actually, I always wanted to be a city planner...

ZEKE

WHOA! An alligator! Far out, maaan...

ALLIGATOR

Pleased to meet'cha! Folks call me Karl... Karl Chubbs.

ZEKE

Karl Chubbs? That's a funny name for an alligator...

ALLIGATOR

Oh, that ain't my REAL name! I ATE a fella named Karl Chubbs a few years back... I been collectin' his social security checks. You keep that between us, you hear?
